

Trades and Labour Hire Performance Guarantee

We constantly monitor the performance of our placements. This is achieved by one-on-one discussion with the worker and on-going performance appraisal. This ensures all workers are identified as having the necessary skills and behavioural attributes.

Trades and Labour Hire Safety Commitment

The Directors and Management of Trades and Labour Hire are committed to the Health, Safety and Welfare of all its employees, both temporary and permanent.

Our Health & Safety Policy is prominently displayed and highlights our philosophy.

“All accidents are preventable none are acceptable”

We recognise and understand our obligations under the Occupational Health & Safety and the Workers Compensation Acts and will make every effort in the areas of accident prevention, hazard control and removal, injury protection and health preservation to provide you with a safe and healthy place of work.

Our Managers and Supervisors will prepare, communicate and implement safety plans and provide you with safety training as required. We will consider your safety as the prime factor when designing and implementing systems of work.

We strongly believe, that health and safety at work is a shared responsibility for all employees, supervisors and managers. The success of any Health & Safety program ultimately relies on the willingness of everyone to work co-operatively and with a team spirit.

“At Trades and Labour Hire,
our philosophy is simple:

**“No position is too difficult
to fill and we will work
around the clock
to find the right person
for you.”**

**It's all
about
people.**

The experienced team at Trades and Labour Hire combines grassroots, hands-on knowledge seasoned with years of experience in labour sourcing and placement. Since 1996 we've specialised in the supply of qualified trades people, technical professional personnel as well as experienced labour for the construction, manufacturing and engineering industries.

We're Australian owned and operated and proud of it. We have earned a hard won reputation for supplying a reliable, efficient and cost-effective resource that's on call 24 hours a day, seven days a week. And we can provide people, on long or short term contracts, anywhere they're needed around the nation.

At Trades and Labour Hire, our aim is to make it easy for companies large and small to minimise the cost of operation by engaging temporary skilled workers to meet fluctuations in workloads.

By utilising our services, you will draw on a wealth of resource, experience and industry knowledge.

You will also address your labour requirements in the most direct and cost effective way possible. Whether your requirements are professional, skilled or strictly labour based, we understand your needs.

We also recognise that sourcing and providing the right people for the task the first time, every time - lays a solid foundation for success and bottom-line performance.

Put Us To Work

We are a leader in the provision of flexible staffing services.

Our diverse range of product and service solutions is second-to-none.

Our primary task is to increase your productivity by providing the best people for the job.

Because our client's productivity is essential to our own existence, we never stop researching, fine-tuning and innovating to ensure our workforce maintains optimum training and skill levels.

A great deal of time and effort is dedicated to matching the position profile to the worker.
